CSI Metro NY game plan...

our **Mission:**

To advance building information management and education of project teams to improve facility performance...

our **Make-Up:**

A mixture of professionals including Architects, Designers, Specifiers, Product Manufacturers & Suppliers, Consultant Partners, Contractors, and Facility Managers & Owners...

our **Plan:**

Leverage the expertise of our diverse membership via innovative & interactive learning programs...

Build trusting relationships with industry partners to explore new methodologies for delivery of projects...

Become active and recognized participants in fueling positive change in the communities in which we work and live in...

a **November** message from the **President...**

Fall is here! Cooler temperatures, football, jackets and gloves...A change in the scenery and Thanksgiving just around the corner.

If you missed our October meeting with Structure Tone, sorry to here but, rest assured it was an excellent and informative session. We hope you will attend our virtual November meeting on Wednesday, November 17th at 5:30pm.

The event promises to be one of our best yet! We will be welcoming xxxxxxx for an eye opening and engaging discussion. More information to follow in this Newsletter.

Please try and attend, this is a movement whose day has come.

We look forward to seeing you on the 17 th! In the meantime, stay safe and Well! And please stay tuned for more information about our upcoming Holiday event coming next month...We will be in-person!

Part 2: 6:00-7:0pm **Featured Program**

Designing with Tile

Presenter

Scott Conwell, FCSI, CDT, FAIA, LEED AP
Director of Industry Development, International
Masonry Institute

Attendees will develop an understanding of the various types of tile, setting methods, system components, and quality assurance methods as outlined in the ANSI A108 standards and the Tile Council of North America (TCNA) Handbook. The program will address design and installation requirements for conventional and large format tile including substrate preparation and floor flatness standards. It will examine ANSI requirements for mortar coverage, grout joint width, allowable lippage, layout and bonding, and other aesthetic and functional criteria. The program will also look at the new standards for thin Gauged Porcelain Tile (GPT) panels, and the recommended specification language for installer qualifications appearing in the TCNA Handbook and MasterSpec

**WE NEED
YOU**

The success of our Chapter will be based upon the quality of our membership experience...

Many factors comprise the Membership Experience ranging from;

- Institute provided Programs & Resources;
- Regional Communication & Information Sharing;
- Dedicated Chapter Leadership, and:
- Quality Educational Programs

But, most importantly the quality of the Membership Experience comes down to your Participation...

WE NEED YOU!

Please let your Board Members know of any ideas you may have to assist in improving your membership experience...and if you are interested in volunteering for one of our committees or taking on a leadership role.

the CSI Metro New York Chapter Committees

MEMBERSHIP:

The **Membership** Committee recruits new members and works at retaining existing members. This committee works with the Program Committee to produce special programs to appeal to particular disciplines within the design/construction industry.

PROGRAMS:

The **Programs** Committee develops programs for the monthly events, invites speakers, coordinates with venues, and promotes programs in advance.

COMMUNICATION:

The **Communication** Committee organizes communication strategies to the membership via the Chapter Website and Chapter Newsletter as well as notifying the membership of events via Constant Contact.

AUDIT / FINANCE:

The **Audit** Committee provides an independent review of the work of the Treasurer after the conclusion of each fiscal year, reporting its findings to the Board of Directors.
The **Finance** Committee advises the Board of Directors of fiscal policy and on investments of the Chapter's assets.

BY-LAWS:

The **By-Laws** Committee provided guidance to the Board of Directors regarding matters involving the Institute and Chapter By-Laws.

the CSI Metro New York Chapter Committees

GOLF:

The **Golf** Committee organizes and administers the annual golf outing which is a fundraiser for the Francis L. Frybergh Scholarship. This committee solicits donations for individuals and companies in support of the scholarship.

CERTIFICATION :

The **Certification Committee** promotes CSI Certifications within the Chapter and the New York City area construction and design industry. Study programs for exams are organized and offered to coincide with Certification Exam schedules.

NOMINATING:

The **Nominating** Committee recruits and proposes leaders to the Board of Directors for inclusion on the annual ballot for election of Chapter Officers.

PLANNING:

The **Planning** Committee coordinates the planning of Chapter activities for the upcoming year.

AWARDS:

The **Awards** Committee makes arrangements with meeting venues, receives & processes reservations & payments, coordinates venue set-up, oversees activities at our Chapter Meetings, and welcomes attendees to our Chapter Meetings.

GET INVOLVED!

the CSI Metro New York Chapter Sponsorships...

Do you believe in value of CSI? Then become a member of our **Sponsorship Program** to assist in supporting the development of Metro New York Chapter initiatives and programs

Annual Sponsorship Levels:

Platinum (\$1,500):

- Company Logo displayed on chapter website
- Company Logo displayed in Monthly Newsletter (Full Page)
- Company Feature Article in two (2) Monthly Newsletters

the CSI Metro New York Chapter Member Spotlight

Each month in our Chapter Newsletter, we would like to provide **Member Profiles** to celebrate your accomplishments, put a face to a name, and just get to know each other a little better...

At each Chapter Event, we will place a call for Member Profiles...If you would like to be featured in our Member Profile page raise you hand at one of our Chapter Events!

This Could be You...

All it takes is to:

1. Provide us with a Headshot...
2. Provide us with a little insight into who you as a professional...Are you an Architect, a Designer, a Specifier, a Product Rep, a Product Manufacturer, an Engineer, a Contractor, etc.
3. Provide us with a little insight into who you are outside the business environment...
4. Let us know what makes you tick...

If you are interested in sharing a little about yourself, feel free to reach out to:

Kori Camacho kcamacho@enneed.com

Tom Lanzelotti tom_lanzelotti@gensler.com

the CSI Metro New York Chapter Community Outreach...

While we focus many of our efforts on the inner workings of our Chapter, the Board feels that it is important for us as a professional organization to also focus on how we interact with the Community in which we live, work and play in...

What should the Exterior Face of CSI Metro NY should be?

With this in mind, the Metro NY Chapter would like to focus our efforts on the development of a formalized **Community Outreach Program** to assist in supporting select community-based organizations in the Metro NY area. We will be looking for ideas & volunteers to assist in determining what community partnerships might be a match and spearhead those efforts...it is important for us to have a voice in making a difference in our community...

Looking Back...

the **October** Event:

“It’s documented...
So how do we build it?”

An in-depth conversation on the
Realization of the Design Intent...

Join a panel discussion led by Structure Tone,
one of New York’s Premier Interior and
Renovation Construction Companies...

We had an informative evening with Scott Renneisen of Structure Tone as we dove into current project delivery topics from a multi-view perspective including:

- Supply-Chain challenges
- Construction growth
- Current labor/talent pool
- Digital Technology
- Resiliency & Sustainability
- Benefits of CSI to Contractors

Looking Back...

the **September** Event:

For our first meeting of the 2021/2022 Chapter Season we got together, virtually, for a relaxed and fun-filled Opening Night game of **JEOPARDY!**

We shared our collective knowledge and learned a bit about the following categories:

- NYC History
- CSI Stuff
- Architecture in the Movies
- Openings
- Jeopardy Fun Facts

the Northeast Region

the Metro New York Chapter is part of the CSI Northeast Region which is comprised of 15 local chapters:

Metro NY (1950); Boston (1956); Buffalo-Western NY (1958); Hartford (1963); Syracuse (1964); Rochester (1964); Rhode Island (1965); New Jersey (1966); Maine (1967); Eastern NY (1967); Vermont (1968); Worcester (1968); Housatonic (1969); New Hampshire (1970); Long Island (1970)

the Mission of the Northeast Region is to:

“Build Strong Chapters through Communication and Collaboration”

The Region employs **Terri Bracken** as our marketing support administrator to help the Chapters. Some of the Chapters are involved in utilizing the Dynamic Chapter Program offered by National. Our region administrative assistant Terri Bracken attends these webinars and is always willing to offer her expertise. Terri can also provide services to the chapters by completing AIA submissions and certificates, creating newsletters, chapter invites and coordinating RSVPs. Terri is always excited to hear from the Chapters. In a short time, all the Chapters will be having elections for 2021. She is reachable at 508-523-4704 and neregion@gmail.com

Michael Helly is the web expert employed by NERCSI. Many Chapters rely heavily on Mike’s expertise. He can cross advertise Chapter events on the region’s website. Maintaining and collaboration has been working well. If Chapters provide Mike with the content work behind the scenes on things like maintaining sponsors and social media links. You can check out an example on our event page. <https://nercsi.com/events/> At no cost to our Chapter we can cross advertise the great events we have monthly. mikehelly.design@gmail.com

Northeast Region Fall Leadership Conference

Albany, NY

The Northeast Region CSI held it's first in-person board meeting since September 2019 on Friday and Saturday October 22-23rd in Albany New York. Albany is a central location reducing travel time and for our 15 member chapters. it was a hybrid meeting with most members in attendance and some participating virtually. The board for Northeast region consists of representatives for all our 15 chapters plus 4 members of our executive beard. We are so happy and encouraged to have on hand Tom Lanzelotti our National Institute Director and Teresa Bracken our regional administrative guru.

Friday night was a networking and introduction session at a local craft beer restaurant. People really seemed enthusiastic meeting up and sharing experiences and hopes for the future. Here's a photo of our executive board kicking off the Friday evening events.

Northeast Region Fall Leadership Conference

Albany, NY

Here's our executive board kicking off the Friday evening events.

Northeast Region Fall Leadership Conference

Albany, NY

Saturday was all business sharing thoughts and updates with each other on the important item's region wise such as: National CSI Conference Recap, Committee Activity (Finance, Awards, Nominating, Outreach), and rebranding. We are so excited as a Region to be offering virtual CDT training, social media and website assistance, and an. education data base. Metro should be proud that our own Ruma Som has volunteered to spearhead the CDT training, promotion, and outreach of this program. We discussed the recommendations of the Component Value Task Force (CVTF) and how that will affect due's structure and chapter boundaries. We hashed tough topics like membership and diversity goals.

Northeast Region Fall Leadership Conference

Albany, NY

It's the Region's mantra to share the strength of our Chapters and offer services to make each other even better.

Please check out our website www.nercsi.com and learn about the next meeting at our Plymouth, MA Regional Conference on April 28th-30th this Spring.

Plenty of room for volunteers and a plethora of low-cost tabletop offerings

Tom Scriven

NE Region Treasurer

347-564-7734

The Northeast Region CSI Conference is scheduled for April 28-30, 2022 in Plymouth, MA

The annual Northeast Region CSI Conference is an opportunity for members of the construction industry to get together for networking, education, leadership development and fun. This year's event is being hosted by the Boston Chapter, one of the region's largest. As we'll be in Plymouth during the celebration of its 402nd anniversary, the focus of the event is on learning from the past to create better buildings for our future.

The conference will kick off on Thursday with our evening Welcome Reception and networking time in the hospitality suite.

Friday Morning will feature our trade show and technical seminars focused on Longevity / Durability / Resiliency. Lunch and the keynote will be on the Trade Show floor, as will the Cocktail Party and annual Scholarship Auction. Our President's Banquet will be held Friday evening.

Saturday morning brings the conference's leadership development activities including an Institute Update and Leadership Workshops. This will be followed by the Awards Luncheon. After lunch there will be a board meeting for CSI leaders. For other attendees there will be professional development sessions and a chance to tour the renovated Mayflower which returns to Plymouth Harbor just a week before.

The Boston Chapter host committee has found a great location and put together an outstanding lineup of technical presentations.

We already have some sponsors who let us hold the money for the past two years.

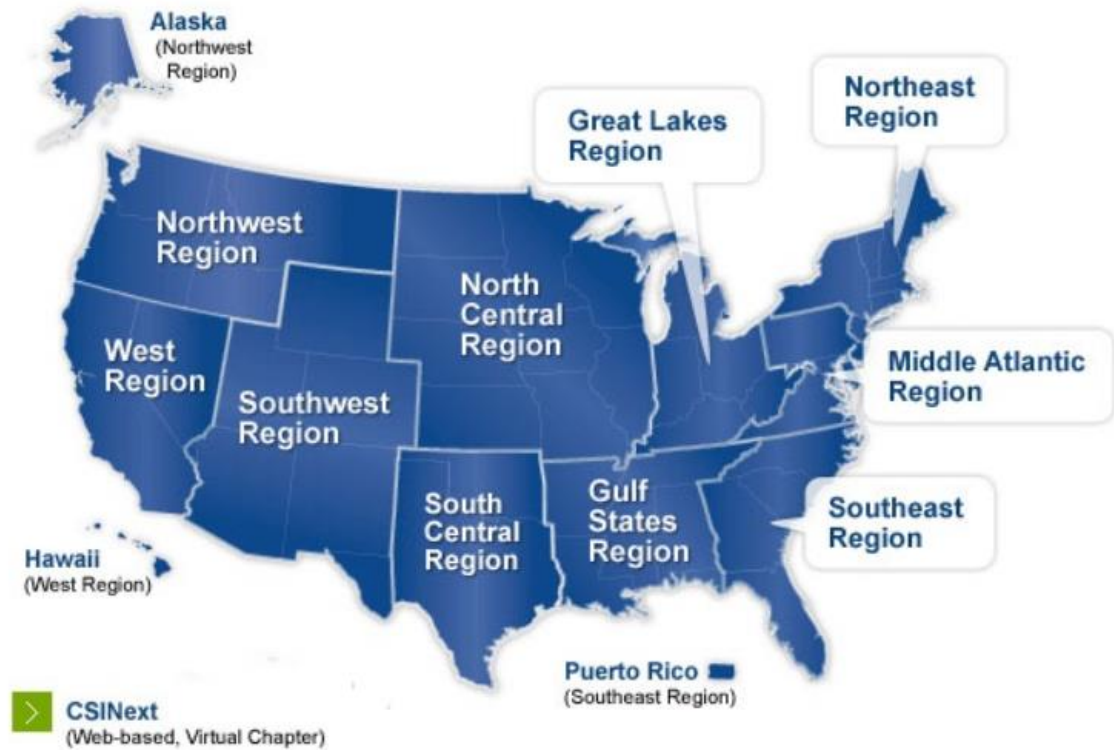

Sponsor registration will re-open next week online.

Attendee registration will re-open on January 1st.

The success of the Saturday events is dependent upon chapters sending their membership beyond just their board representative.

The committee is currently preparing marketing pieces for the conference, as a whole, as well as each of the individual presentations that will be released on social media and provided to chapters for including in their newsletters/communications.

These will be distributed at least once every two weeks for November and December and every week thereafter.

CSI NATIONAL:

- Comprised of 10 Regions and one Virtual Chapter
- Institute website: www.csiresources.org

SERVING YOU. TOGETHER.

New Dues Structure and Expanded Network for CSI Members on the Way.

The way members engage is evolving and we are too.

Providing value to members has always been at the heart of CSI. There are changes underway that will enable CSI to better serve you and which creates a pathway for all members to expand their networks. The changes improve the value of your membership.

What is Changing?

Beginning on July 1, 2022 (the new fiscal year for the association), CSI will transition to a new, single dues structure that creates a “home” Chapter and which expands networking opportunities for every member.

The changes will make Chapter affiliation easier to navigate and understand. Also, the way CSI Chapters, Regions, and National (“components”) are aligned will evolve to improve the way we all, collectively, serve you, the member.

Why are We Changing?

As an organization, CSI knows the local, in-person networking experience is highly valued by members. However, the way people engage with their organizations is changing and CSI leaders heard and experienced that there were disconnects and inefficiencies with CSI that got in the way of providing value to members.

So, a group of your CSI Chapter and Region leaders, through their work on the Component Value Task Force (CVTF), were brought together to explore one question:

“What is the optimal alignment between Chapters, Regions, and the National organization that enables CSI to provide maximum membership value?”

They reached the following conclusions:

- Members highly value the local Chapter experience but find it difficult to navigate the organizational structure.
- A simplified, unified structure will make it easier for members to engage with CSI.
- Chapter leaders need more support to provide maximum value to members.

Have Questions or Feedback?

If you would like to ask questions or provide feedback there are a few ways to do so.

- Review the FAQs here: <https://www.csiresources.org/membership/structure-change/faqs>
- Share your feedback using this form: <https://www.surveymonkey.com/r/2CBDVPH>
- Join an open office hour and talk with a member of the Board of Directors or CVTF and CSI staff directly.

TIMELINE

Jan. 28, 2022

July 1, 2022

Changes go live

BUILD BETTER WITH CSI MEMBERSHIP

CSI members are essential to the creation of the built environment.

“
CSI is a support network. CSI is a set of resources. CSI is a set of contacts. It's a community of likeminded individuals that are trying to reach the same goal. And the goals that we're all trying to reach is to try to get it right, be that design, be it construction, be it manufacturing, we're trying to do it better.

—Kathryn Marek, CSI®, CCCA®, CDT®, Principal, KM Architectural Consulting, PLLC

Connect. Engage. Advance. Join.

Membership meets you where you are and where you're going as a project delivery professional. You're part of a community that elevates your profession and innovates across all aspects of the industry.

CSI Members

OCCUPATION:

- Architecture, Design
- Building Product Manufacturers
- Construction and Contracting
- Specifications
- Engineering
- Other

ORGANIZATION TYPE:

- Firms
- Manufacturing
- Contracting, Development and Management
- Academic and Association
- Government
- Other

Specifications are baked into every construction project, translating design into reality. And while "Specifications" is part of our name, CSI is a lot more than specifications – it's about construction communication, project management, and contract management for today's dynamic environment.

“

Learning the language of construction has made a huge difference to my career. That's why I've promoted the CDT certification program to every member of my team ever since.

—Charles Bleakely, CSI, CDT, LEED AP, Specification Area Manager, PPG

“

CSI is an organization of people that write the instruction manuals for the construction industry.

—Thad Goodman, FCSI, CCPR, CDT, LEED GA, Construction Design Manager at National Gypsum Company

Explore the power of your CSI membership.

GET AHEAD: FREE AND DISCOUNTED EDUCATION AND CERTIFICATIONS

Enjoy a broad mix of learning opportunities that cover everything from team roles and responsibilities to the interaction of products and materials on the job site. Plus, you'll get discounts on essential CSI industry certifications, training guides and exams that serve as the industry standard for excellence in the communication of construction and project delivery information.

GET CONNECTED: MENTORSHIP AND NETWORKING

CSI chapter experiences are unrivaled in expanding your professional growth. Whether you are an emerging professional seeking to grow your skillset and network, an experienced AECO searching for the answer to a client's question, or somewhere in between, you'll have support at both the national and local level.

GET INFORMED: ESSENTIAL INDUSTRY NEWS, TRENDS AND CASE STUDIES

Membership includes an informative mix of weekly news, exclusive and active online member community, and the monthly magazine, The Construction Specifier, highlighting the best in the industry.

GET EMPOWERED: STAY AHEAD OF CHANGING TECHNOLOGIES, CODES AND STANDARDS

Interested in the impact of industry game-changers like 5D BIM (Building Information Modeling), modular construction, design build delivery methods, augmented and virtual reality (AR/VR) and 3D building? CSI keeps you informed on industry innovations.

GET SUPPORTED: THE RESOURCES YOU NEED ARE AT YOUR FINGERTIPS

You'll have exclusive access to MasterFormat online and discounted professional reference books, as well as the groundbreaking Specs 101 virtual series on specifications coordination.

Come to CSI and learn how to deliver a project.

WHEN YOU'RE A MEMBER OF CSI, YOU HAVE THE TOOLS TO SOLVE CLIENT CHALLENGES AND THRIVE IN YOUR CAREER:

- Deliver better projects
- Supercharge your specifications knowledge
- Build your documentation confidence
- Demystify project delivery
- Boost your credibility.

CSI MEMBERS MAKE AN IMPACT.

They're equipped to bring projects to life, lead the industry, and move us toward a future that is technologized, diverse, and global. Join us today.

CSI...an organization comprised of a diverse, cross-sectional group of design + construction professionals focused on improving the built environment through collaboration and leveraging ideas & experience...

So Why Join CSI?

ADVANCE Your Career

Be confident in your role in the construction project and earn your employer's confidence in your skills and knowledge. As a part of the CSI Community, you have added resources to earn your certificate as a Construction Document Technologist (CDT) or one of the advanced CSI certifications...

STAY Up-To Date

CSI brings you the best in construction building communications, CSI's monthly peer-reviewed magazine, "The Construction Specifier", discusses the latest trends in construction building and design. CSI Weekly e-newsletter keeps you up-to-date on issues and events affecting your profession and the industry. And your local chapter keeps you current on the issues important to where you live and work...

CONNECT with Colleagues

Engage with colleagues from around the world on www.csi.resources.org, join an on-line community and your local chapter. You know how valuable it is to be a member of professionals from every facet of the industry...

DRIVE the Industry

CSI volunteers develop the standards and formats that guide construction communication. They create MasterFormat, the Practice Guides, and many other projects and programs vital to the construction community. As a member of CSI, you can volunteer and drive the industry locally and nationally...

are you ready for your **VIP** Member Experience?
